

SAX & ROCK 'N' ROLL
WWW.DERSHOWACT.COM

Technical Rider

Required stage: min. 5x3m

We bring our own Wireless Micros/In Ear Monitoring (470-558 MHz) & DJ Equipment

Variation 1: We provide a soundsystem and lights.

We require 1 x **16A CEE 400V** with 3 x 230V 16A Powersupply

Variation 2: Technical equipment is provided by the venue:

We require **1 x 230V 16A Powersupply** and **2 XLRs** to your Mixing Desk, because we will send you a complete Stereo Audio Master Signal from our DJ/Digitalaudiomixer ...

We expect a good sounding, state of the art PA like d&b, LA, Meyer, Coda etc. as well as some white front lighting and some effect lights for the stage background.

For all technical details call „**Rainer Schober**“ +43 676 35 36 878 or get in touch through office@musikparadies.com
